

# faith FORWARD

from Visitor to Leader™

*A guided path for visitors,  
members, and leaders*

We know Unitarian Universalist congregations want to **welcome visitors and grow their membership**. However, it can sometimes be difficult for newcomers to find their way, and a challenge to develop new leaders.

Faith Forward's **three paths** for learning and spiritual development—**CORE**, **ADVANCED**, and **LEADERSHIP**—help congregants build relationships, learn about your congregation, feel a sense of belonging, find ways to serve, deepen their spiritual life, and boldly live their faith!

We're seeing the **results** of Faith Forward, and we think your congregation will, too!

"I have never been more confident in recruiting Adult Religious Education volunteers than with Faith Forward. Our facilitators report an effort/reward ratio from leading Faith Forward curricula that far exceeds any RE volunteering experience from the past. Inquirers has been a **game-changer** for our welcoming ministries, and we have a far more **robust** group of new attendees than in previous years."

"Faith Forward is going really well. The newcomers are **making connections**... It's amazing how much a part of the **fabric of the congregation** they've become, in such a short time."

"Faith Forward has been a **great resource** for our congregation! We now have more people in the membership process than we ever have before. This path, beginning with the Inquirers Series, is what people have been looking for, and we're so grateful to now have a **clear process** for visitors and members to get connected."

"I took this class during a time of grieving. Listening to others approach the same readings **broadened my world** at a time that my world was very tight. Attending the class gave me a vocabulary to deal with the spiritual aspects of what I have lost and what I've gained."
